Facts

- Organizations save 50-70% by using eLearning compared to traditional learning methods
- eLearning solutions have better consistency and 30-60% higher retention rates
- OSHA has collected over a million dollars in fines from nearly 600 medical practices in the past year alone

MedAxiom has partnered with emPower to launch a Learning Management System (LMS) and an array of courses including those mandated by government and other regulatory bodies such as OSHA, HIPAA and JCAHO. MedAxiom's new Learning Portal provides 70+ HR policies and a tool to publish your own policy documents and employee manuals.

Administrators can assign courses to groups or individuals, design quizzes, monitor course completion and generate real time detailed graphical reports to ensure practice compliance.

Some of the courses we offer include:

- OSHA (Bloodborne Pathogens, Hazardous Materials, etc.)
- HIPAA
- JCAHO (Influenza, Tuberculosis, AIDS, Hepatitis, etc.)
- Custom develop courses and upload your own as well

MedAxiom's Learning Portal helps...

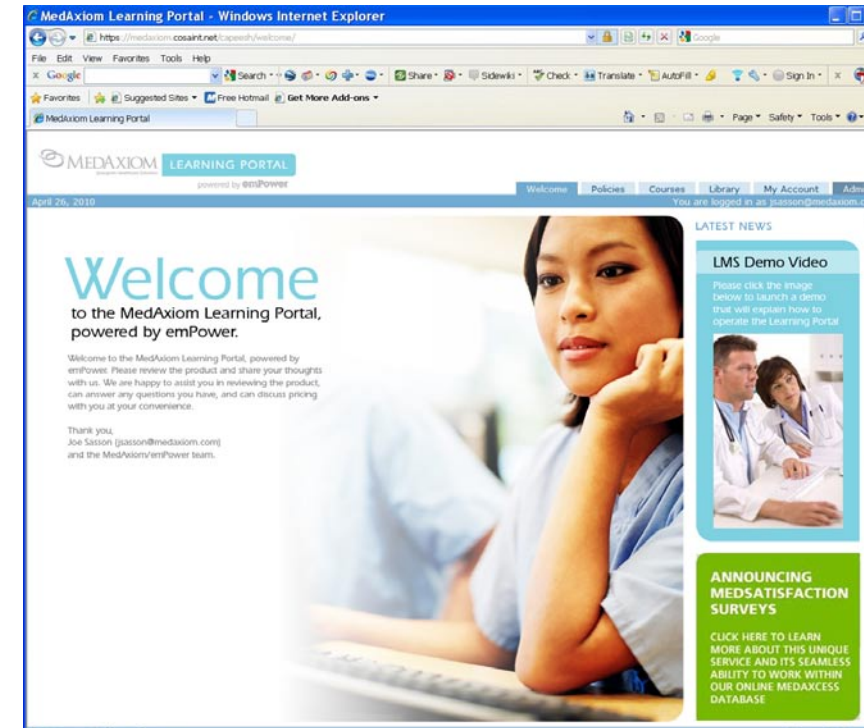

ENSURE COMPLIANCE Effortlessly track and ensure that OSHA, HIPAA and JCAHO courses are completed by all employees

REPORTING Centralized real time graphical reporting to ensure practice-wide compliance

SAVE MONEY ZERO trainer, travel, record keeping and reporting cost
